

1. Mr. NHEN Ra in Svay Rieng

Mr. Nhen Ra, age 48, He lives in Svay Chek village, Svay Chek Commune Romdoul District, Svay Rieg Province. His wife name's Yors Lorn, age 48 with four children. Mr. Nhen Ra before was an alcohol addicted. He expressed that before he loved drinking So much. He drank alcohol since he was 23 year old. During that time until now he always get sick. He often goes to hospital for medical treatment. His family economic was not so good because Mostly, he spent too much money on health. Sitting on the bed which is made by the bamboos and under the wooden house answered with red face that health is

important thing, beside health problem when he got drunk he sometimes could not control himself especially he used to speak impolite word to his wife and sometime the violence happened even he knew that his wife was really busy at home. One day on 16, June. He attended the talk which is arranged by PDP. When he joined the talk at the first time, he thought that it was really fun because he thought that we can't stop drinking as we could see the alcohol advertisement. He tried to observe the lesson which is provided by Mr. Chan Sochea PDP trainer Svay Rieng Branch. He could know the meaning of alcohol and its source and its effect to health. What he interested was the pictures which shown clearly about the effect to health, traffic accident violence and it was similar with his situation. He still keeps the lessons in his mind and until June he started reduces alcohol consumption. When he reduced drinking he could see that he was not often go to hospital. Now he decided to stop drinking and he has more chance to work for his family economic and the violence is rarely to happen. He thanked to PDP for guiding him to be a new person.
